# *"Loss of Loved One"*

*The death of a Child, Spouse, Brother, Sister, Parent or a family member can be a devastating experience that only memories and time can heal. At no other time in one's life is family love and support needed more. As a family we will try our best to be there for each other.*

*LIFE CYCLE RECOGNITION PROGRAM*

*Dear Carla*

*We were so sorry to hear about your Mothers passing.*

*We realize and understand that this is a very stressful time in your life. We just want you to know that we love you and as your family we are all here for you.*

*Our family would like to provide you with some information that we thought might be helpful during this difficult time.*

*Please know that our thoughts and prayers are with you and if we can be of any help or assistance we are all here for you.*
